

## Frigoglass is awarded a Gold rating by EcoVadis for 2018

**Athens, December 5<sup>th</sup>, 2018** – Frigoglass has been awarded a Gold medal by EcoVadis for its sustainable and socially responsible practices for 2018. The company was placed among the top 1% of the best rated companies around the world. This is the second consecutive year that Frigoglass has received a Gold rating.

Sustainability is central to our business strategy. It is embedded in our strategic priorities and incorporated in our business activities. We continued integrating sustainability into the way we do business, making clear progress against our sustainability commitments. Our product portfolio is even greener, our operations even more environmentally friendly and our impact on the world more meaningful.

Following the improved performance across the assessed criteria, Frigoglass has achieved a ranking in the top 1% of all suppliers globally, of all suppliers in its sector, as well as in the categories Environment, Labor & Human Rights and Sustainable Procurement.

EcoVadis, the leading CSR rating platform, is dedicated to producing independent assessments of companies' CSR (Corporate Social Responsibility) performance. The EcoVadis CSR assessment covers more than 50,000 suppliers, 190 sectors and 150 countries. This assessment is based on international standards, including the GRI (Global Reporting Initiative), the Nations Global Compact and the ISO 26000.

**Nikos Mamoulis, Chief Executive Officer of Frigoglass, commented:** *“We are delighted to receive the Gold recognition for our sustainable and socially responsible practices for a second year in a row. This award proves our strong commitment and dedication to continuously improve our sustainability performance, adding value to all our stakeholders and to the community.”*

## Frigoglass

Frigoglass is a strategic partner to beverage brands throughout the world. We are one of the global leaders in the Ice Cold Merchandisers (ICM) market and the principal supplier of glass packaging in the high growth markets of West Africa.

Frigoglass has long-standing relationships with blue chip customers in the soft drinks and beverage industries. Our bespoke Ice Cold Merchandisers (beverage coolers) enhance our customers' beverage branding and facilitate immediate beverage consumption. At the same time, our leading innovations in the field of green refrigeration enable our customers to meet their sustainability and carbon emissions reduction targets.

With its footprint, Frigoglass is well established in the more mature European markets while it is evolving and establishing its position in emerging markets. We support our customers through manufacturing facilities in eight countries and an extensive network of sales and after-sales representatives.

In our glass bottle business, we are focused on the markets in Africa, which are prime regions of investment for our customers. We aim to create value for our customers by building on our position as a leading supplier of glass bottles and complementary packaging solutions in West Africa.
